LUNA'S PUSSY CHARMED A READER'S TROUSER SNAKE

Dear 60Plus MILFs,

Luna Azul, the 62-year-old from Los Angeles, blew my mind. I love how she was using that string of bronze-colored balls in her pussy. I always thought that those were strictly for anal play. I didn't realize that they could be used in such a hot, straightforward manner. Seeing her retrieve them, slowly I imagine, must have been such a thrill for your photographers. I've been obsessed with the image of her pussy slowly closing after each "pop" of the bead exiting. Those small stretches and contractions send shivers down my spine. As the string kept appearing to get longer and longer, sliding from her slick cunt, I felt my cock doing the same. My jaw was floored as those pearls reached the two-foot mark, and my dick spewed cum when it reached three. How nice and deep her cunt must be!

Don't you wish it was your dick in there instead of those beads? Luna does, too!

As I said before, her pictorial caused me to do a little research. I went online and discovered that those strings of beads are used to tighten the vaginal muscles in women of a certain age. The longer the string, the more toning takes place. If that's truly the case, Luna must have the strength of a vise between her supple, old legs. I've never been a fan of a big, gaping pussy, unless it's right after I've fucked the living hell out of my wife. I've surprised her in the past with Ben Wa balls and kama sutra books that describe various sex positions as well as instructions on how to keep the pussy toned. She's tried and succeeded in keeping herself very snug for my normal-sized cock. I think she'll be getting a string like Luna's beads for her next birthday! Now, any chance I could get the actual beads Ms. Azul used in her set? I'd like to slurp on them or wrap them around my balls and dick then next time I jerk off onto my wife's tits.—B.A., Los Angeles, California

EVERYBODY LOVES SEXY LEXI

Dear 60Plus MILFs,

First, thanks for putting out this magazine. It's really hard to find quality print publications that feature high-quality grannies and MILFs getting fucked. My only complaint is that it is printed so seldom.

I'd also like to compliment you on

Lexi McCain's XXX spread in SP252. Her wrinkled holes looked like heaven. I could have spent hours nibbling and sucking on her drooping pussy lips. I wouldn't stop licking her clit until her juices were soaked into my beard and dripping off of my nose. I love a big, old pussy. Her tits looked so soft and squeezable, too! They were really plump and full for a 66-year-old woman. She could have been in 40Something magazine, and I would have bought it hook, line and sinker.

I really appreciate that you decided to show her sucking cock in multiple angles. That's something that gets glossed over frequently. I love imagining that she's sucking on my dick, mov-

Lexi may be 66, but her horny twat can take a hard pounding!

Luna feels immense pleasure as she pulls this string of beads out of her pierced pussy.

ing to her back and letting me fuck her mouth. That's the kind of move only the old ones let you do. They're so used to being fucked silly, they want to do anything to please. So, let's keep up the good work with that! I'm not saying that you should give equal space for blow job shots and for fucking shots, but the three positions of Lexi deepthroating and giving head were perfect.

As for the fucking? That was priceless. I'm going to buy *A Creampie for Granny 2* so I can watch Lexi's body bounce as the stud slams into her. I really hope he doesn't take it easy on her just because she's twice his age! I'll bet she loves it rough. The way you wrote she was begging for a creampie was so hot to read. It's got to be even better to hear her screaming it as she if getting plowed from behind!-J.Q., Port Townsend, Washington

NO ONE DOES THREEWAYS QUITE LIKE OUR GILFS

Dear 60Plus MILFs,

Are you fucking kidding me with that threesome special in SP252? What

are you trying to do, give me a heart attack? Seeing Bea Cummins on her knees between two black snakes was biggest thrill I've ever had. Her white skin was glowing as she reached up and gripped those two monster chunks of dark cock meat. I loved seeing two dark-skinned studs tearing into a slutty piece of white ass almost as much as Bea looked like she enjoyed it! I wish she had done DP.

Luna Azul was hot on every page she graced, but no page was as intense

as 57. She looked so devoted to that cock in front of her face I'm surprised she even noticed that other one in her twat! Talk about a double-teaming! So hot!

If we're talking threesomes, I normally prefer to see two guys plowing the shit out of one old, used-up slut. That way you get to jerk off while seeing blow jobs, fucking or some combination of anal, pussy and mouth penetration all at the same time! The woman always looks deep in the throws of passion, too. That being said, you guys picked the absolute hottest pictures of the girl-girl-boy threesomes. Jewel and Lola were phenomenal. Rita and Lexi were out of this world! If I had been the guy on page 69, sandwiched between the two *Golden Girls*-looking models, I would have cum all over their faces instantly and made them make out

until I got hard again! Then I would have fucked one of their mouths while she was covered in my jizz and the other one was servicing some pussy. I'm kind of disappointed that you only featured one shot of a two-girl facial. That's a super hot idea and I wanted to see more of it. Keep it in mind for next time!—R.T., Pensacola, Florida

JEWEL ON PRIMETIME

Dear 60Plus MILFs,

I've always been a fan of Jewel, who was featured in SP252. I've been watching her do her infamous three-ways for

years, and I've probably cum hundreds of times watching her service big dicks.

Before now, I've never been able to put my finger on what it is exactly about her that I like so much. Her tits are really nice, and must have been perky about 40 years ago. I prefer them the way they are now, though. They are almost like pillows. I could mold them around my cock and give her the biggest pearl necklace if she'd let me!

Her shaved pussy looks incredible and welcoming. It's like it's always juicy and ready for a hard fucking. Her asshole looks that way, too. I'd probably die if I could have an afternoon with her willing to service me in any way imaginable. I would die happy though!

So, I finally figured out what it is that makes her so alluring. I came to age in

the early 1970s and, like most children, watched *The Brady Bunch*. I think Jewel looks like Carol Brady actress Florence Henderson. I've had a crush on her since I was a little boy and it's very hot to think that it's Mrs. B putting in that buttplug and fingering her wrinkled twat! I'd love to see more models that remind me of long-ago crushes. As soon as I realized the connection, I was harder than I've been in a long time.—E.N., Warwick, Rhode Island

IS THAT GAPE FOR REAL?

Dear 60Plus MILFs,

I need to know if Patsy's gaping pussy is all-natural, or if you guys primed it with a toy or a fist or something. I know you're not supposed to give us readers too many "peeks behind the curtain", as they say, but I just really need to know!

Patsy's interview was nice. She seems like a very quiet and elegant lady. I suppose that could be because I read her quotes in a British accent in my head. She seemed to be very proper, except when you had her guess what MILF meant! That was too funny.

I am very surprised that she doesn't think of herself as a very beautiful woman. I think she's a knockout, and you guys must do too if you put her in your magazine. I'll never understand how such a gorgeous woman can doubt her sensuality.

I really hope Patsy starts doing hardcore soon. I would love to see some footage of her taking on a big cock, or

multiple cocks if that suits her mood! Maybe she'll come back in 10 years like you suggested. I'll be waiting!—R.T., Bedford, Connecticut

Dear R.T.,

Patsy's gaping pussy is one of the wonderful perks that comes with getting older—it opens wide all on its own.

FUCKIN' GRANNIES

Dear 60Plus MILFs,

I enjoyed all the layouts that you ran in SP252. My favorites were the hardcore ones. They were so incredible. I love watching GILFs and MILFs stuffed to the gills with dick.

Phoenix Skye's anal pictures made my cock rock-hard. Maybe it made me diamond-hard, because I could have probably hammered a nail with my rod after seeing her well-preserved butthole take that big dick in there. I'll tell you what. She must keep that thing pre-lubed because I've never seen a woman take a dick that easily!

Lexi McCain was also very sexy. I like

seeing a hot granny take a dick and obviously enjoy it. That's probably why I like older women. They know exactly what they want and they go for it. Lexi's pussy was just how I like them, too: fat lips and juicy.

Jackie, the plump redhead with a mouth built for cocksucking was pretty hot. I was intrigued by her and actually logged on to your website to find her scene and watch it. I normally like my women a little smaller in the waist, but Jackie made up for her size with how she moved and those big, juicy tits of hers. The reason I like smaller women is because they are generally more graceful. Jackie was bouncing on that dick, throwing herself around the room and it looked like she dropped to her knees in a second, with the speed and confidence of a much smaller woman. Good for her! MILFs and GILFs of all types need some lovin'.

Finally we have Jeannie Lou and her BBC fucking. Hell yeah! Interracial is so hot. I love to watch white women live out their fantasies and fuck a hung black stud. They're probably thinking about how wild they're being and how naughty it feels. Jeannie's creampie leaking over her butthole made me so fucking horny I couldn't help but jerking off all over the page. Damn!—Z.M., Charlottesville, Virginia

K.H. IS A BEAVER BELIEVER

Dear *60Plus MILFs*,

What's with all the shaved pussy? The minimum age for your models is 60, but these women are shaved or

waxed as if they are pledging a sorority! SP252 was nothing but smoothies unless you consider Katherine Merlot's "oops, I forgot to shave" fur a real bush. I don't. These women all grew up in the age of the crotch fur, so I don't understand why none of them stay true to their bushy roots.

Where are the ladies like Persia Monir, Nicky White, Erica Loren, Sasha Samuels and more recently, the newly-fuzzed Rita Daniels? At least your shaved ladies could still suck a mean dick. I loved watching the women in the threesome spread take on multiple cocks. The blow job shots were amazing. I would have definitely added my

doing porn. I destroyed that issue with my cum all because of Kim.

I also enjoyed her interview, and I appreciate that you take the time to sit down with the models and get to know them. It gives your magazine a personal touch, and I always like to learn more about the models. Kim was very interesting. Ben Wa balls in her pussy? That's some wild shit! I had never heard of that before I read her interview. You learn something new every day. She's such a knockout. I hope to see her in *60Plus MILFs* soon.

Anyway, my attention stayed on *50Plus MILFs* for quite some time until I decided to go out on a limb and buy

Kim recently shot for us and she's already a reader favorite. With her exotic looks, how could she not be!

Joanne's fuzz is as hairy as it gets when it comes to our 60plus twats.

cum to the mix if I had the chance.

Please, let's add some more women with appropriately fuzzy pussies next time. I love these ladies, I just want more hair!—K.H., Atlanta, Georgia

SAVE ONE FOR THE LIBRARY!

Dear *60Plus MILFs*,

I loved SP252. I always buy two copies of this particular magazine because I can't help but splattering the lovely GILFs. I started out reading *40Something* magazine, which was thrilling, but I found myself favoring the pages with the older sluts. Then I decided to buy *50Plus MILFs*, which was a revelation. I was, and still am, a huge fan of that publication. It has some of the hottest mature women I have ever seen. And I must say, your newest model Kim Anh is an amazing find. It's so rare to see mature Asian models

60Plus MILFs. I was a fool for not doing it sooner. If you enjoy anililagnia, the love of old women, this is the finest jerk-off material around.

I have nothing bad to say about your most recent issue. It was perfect. Phoenix Skye and Katherine Merlot were spectacular as always. I enjoyed reading about the newcomer Patsy. She seems like a really thoughtful wife and lover. She and her naked body have brought me immeasurable pleasure time and time again since I bought my copies. In fact, it's getting hard to open one of the issues because her pages are so stuck together! Thank you very much for giving me what I was looking for.—S.T., Santa Monica, California

Dear S.T.,

You're in luck! Kim Anh has a pictorial on page 44 of this issue.

60 PLUS MILFS FEATURED DVD

In the three DVDs preceding this one we featured older MILFs and GILFs getting their snatches pumped with hot jizz. We didn't want to mess with the formula, but we knew we had to step up our game and give you something special. Now every wife, mother and grandmother is in her mid-60s or older!

Rochelle Sweet, 66

These are not your average grannies!

These six GILFs are pillars of their communities. They get called by their grandkids regularly and they're the sweetest old ladies you'll ever meet...Oh yeah, they also get their old cunts ravaged by young studs and almost burst from the inside out because of the colossal creampie shot into their pussy holes. Rochelle Sweet is a 66-year-old grandmother who has been swinging for two decades and loves it.

Phoenix Skye is a dirty bird from Arizona who loves sticky pies.

"I love cum. I love it on my face, in my hair, on my tits or on my ass. But the best is when I can feel that throbbing cock start shooting rope after rope of hot, sticky cum deep inside my pussy. I've always wanted to be double penetrated and double creampie'd at the same time. I think that would send me instantly into an intense orgasm. I get hot and have to finger myself just thinking about all that jizz filling me up and leaking out of my holes."

Bea Cummins swings and creams all over other men's big dicks.

Bea has a pictorial on page 56, but you won't get to see her cuckolding her husband while he's in the very same bed! That's right, our big-dicked stud pumped her full of his cream while her actual husband watched from the corner in this scene shot the previous year.

Bea Cummins, 69

Lin Boyd, 65

Lin Boyde prefers her sex freaky and frequent.

We have a game we like to play when new models come into the SCORE Group HQ in Miami. We ask them which they would prefer after a long day: Flowers and dinner, or a hard cock. The young models all say flowers and dinner, the MILFs all say cock. Lin Boyde surprised us. She asked, "Just one cock? It has been a bad day!" She's a divorcee and living her life the way she wants. It just so happens to be that she wants to live it with as many partners as possible, pumping her cunt full of hot, juicy seed.

Jewel needs to be filled-hot and sloppy-all the time.

Jewel has a threesome pictorial on page 36, but those guys don't give her what she gets here. When this "Threesome Queen" is taking on two cocks, she prefers her face or tits coated in cum. When it's just her and one cock? Well, she can't get enough jizz hosed into her well-used cunt fast enough. Her legs are vises and pull the guy closer at the very end, making sure it's all in there.

Katherine Merlot is a full-blown cumaholic, and she's proud.

"It doesn't matter to me where the guy finishes, just as long as he lets me clean his cock with my mouth," Katherine told us. "I do love it when he pumps my pussy full of his cum and waits there for a moment, letting me feel him inside and having his juice drip past my asshole. Then I clean his rod with my tongue."

CARA REID

Born: April 21
Height: 5'3"
Weight: 115 lbs.
Lives: El Paso, Texas
Status: Married
Occupation: Store owner

**60
YEARS
OLD**

Guys, if you have a pulse, you'll love Cara Reid. She's unabashedly horny, adventurous and beautiful. Now here's the best part and the part where you get even more jealous of her husband—her first swinging experience was with two of her girlfriends and her hubby. Yeah. The dude got to fuck three women. "That was the perfect way to break into swinging. We still have limited experience, but having that awesome three-on-one with my husband made me want more."

What other activities do Cara and her man dabble in, you might ask. Well, there's been partner swapping, like the time she fucked a much-younger man. "I put on some sexy music and started grinding against him, giving him a hot lap dance. It wasn't long before we were in the bedroom and I was sucking his cock. It was a thrill because my husband was watching the whole thing. He gets off watching me play with young men."

"My biggest fantasy is very voyeuristic. I'd like to hide in my own house, behind the curtains, and wait for my husband to bring a woman home. I want to watch him lick her pussy, get his cock sucked and eventually watch him fuck her doggie-style while pushing her head into the bed. Then I'd come out from behind the curtain and masturbate. Sometimes I fantasize about her seeing me, other times I stay hidden. It all depends."

"Everything with sex is up in the air. Anything can happen, or nothing can happen. If I haven't been fucked in a while, I'll be very aggressive when demanding sex. If my husband has just fucked the living shit out of me, I'll be much less likely to act slutty in public, trying to pick up strange men. When it all comes down to it, I enjoy acting lady like out on the streets, but a filthy slut at home in the sheets!"

Four decades of marriage and things had gotten dull. After spotting something that would make my woman's wildest dreams come true, I went ahead and grabbed the...

BULL BY THE HORNS

BY JOE MONKS

The slap got my attention. I'd made the mistake of looking away, and the sound of Marcus swatting Evvy on the ass put the focus back where it should be—on him, giving it to my wife doggie-style.

I opened my mouth, started to get off my stool. Big mistake. Evvy opened her eyes and shot me a look that made me feel like a 10-year-old getting scolded. Like a good little voyeur, I folded my hands in my lap while she bit her lip and cooed like she used to back when we were teens and I was pawing her tits in the back of my old man's '72 Ford. I fucked her for the first time after the prom, and spent the rest of the weekend with my dick spitting in every hole she had. When she got loose, Evvy could be a dirty little whore—forget about what she was like the rest of the time. That weekend, fueled by cheap gin I'd stolen from my pop's liquor cabinet, she'd been up for it all. In the mouth, in the ass, jacking me off on her face...you name it. I'd ended the weekend hungover, sore-dicked and dehydrated. She'd spent the ride home with her pants open and an ice bag on her cunt.

It hadn't been that way for a long time, though. Too long. We'd broken up a couple times, done our share of partying with others, but got hitched when we were twenty-five, and had thirty-eight years in. Not to mention three kids. Four grandkids. Things had just gotten stale. We still had sex, and we both still liked it, but it wasn't anything like it had been. Or still could be, I thought.

Evvy grunted like a farm animal, gnashing her teeth. Marcus was giving it to her good. Evvy stared at me, brushing hair out of her face so I could see her clearly.

"Yeah-h-h," she hissed. "Like that. Deep...real deep!"

The bull gave Evvy a pinch on the ass. She made a pucker at me as he pumped her full of big, black cock. As advertised. Hung, and more than enough man for any woman.

During our on-again, off-again college years, we'd experimented some.

Hooking up with other couples at parties, after a few beers following a big game, that sort of stuff. Couple weeks ago, I'd been rubbing one out behind my office computer when Evvy walked in on me, as startled as I'd seen her in years.

It wasn't me beating off. It was the site I was checking out. I was surfing a swingers forum, in a section labeled: Bull By The Horns, and I could tell the minute Evvy got a look at the pics, she was turned on. We hadn't done anything like that since our youngest, Brooke, was still in diapers, but from the way her eyes studied the screen, I knew something had clicked.

Evvy's twat got soupy just thinking about having someone else bang her. The kind of guy most women only saw in pornos. The kind of man who could do things to her she'd only dreamt of. But that wasn't all. Evvy wanted to be used by

this stranger—used, while I watched.

She didn't offer to stick around and finish me off, and I hadn't expected her to. She liked to initiate the sex, and I'd been caught taking care of my own needs without her. Still, as I pecked out the e-mail with one hand to arrange things, I had no trouble keeping it up. I shot a monster load after hitting SEND, jizzing into the garbage. The idea of my wife

taking on this big stud got my balls tingling.

Now, it was happening, right before

my eyes. I felt powerless, like a kid without cash looking in the candy store window. Marcus, who I'd found on the site's Brahma page, looked like he should be playing linebacker somewhere. He was six foot two, two hundred pounds and hung like a fucking mule. He wore a gold hoop in his left ear, and was glistening

with body oil. Oil he'd made Evvy rub on him while I'd gotten undressed. I hadn't disliked him. Not then, despite how arrogant he'd been in the e-mail. No, it was when Evvy was down on her knees, rubbing him hard, and he'd looked at me and said, "Now I know why you wanted my services," that I finally understood what I was in for.

Evvy? She'd giggled like a school-girl, and I'd sat down on the stool Marcus brought specifically for me.

I had to sit at the foot of the bed, close, but not too close. I was being told: look, but don't touch. Evvy was gritting her teeth, hands gripping the footboard, her heavy tits swaying as Marcus plowed into her from behind. He'd gone in bareback, skin on skin. No rubber. He hadn't used lube, either. Hadn't needed any. By that point, Evvy was sheened in sweat, lube pouring out of her cunt.

Marcus? He didn't even look like he was trying. He shoved that monster cock up my wife's twat balls-deep, making her squirm. She could take him, but I could tell it made her uncomfortable. She was on the border between pleasure and pain, and sometimes I couldn't tell the difference. I swear, the guy must've been 10 inches long, and thick as a kielbasa. From my spot on the stool, I could see his big black balls slapping against my woman's meat curtains, her syrup dripping off his sac.

Evvy arched her back, mouth open in a silent whimper. I recognized that look. Marcus was going to make her cum. For a second, Evvy's eyes fluttered. I knew she was looking at me.

Wanted to see my reaction to this specimen of a man fulfilling her wildest fantasy.

But I glanced away, down at her boobs, the stretch marks faded, but not entirely gone. Three kids had left their marks, subtle, but there just the same. How many hours had I spent tonguing the slight pooch of her belly? Starting there, or on her hangers, and working down to the sweet spot between her thighs, eating her snatch until she squirted?

I had no idea. All I knew was it had been a long time since I'd been down there, pleasuring my wife, noticing how her brown tufts were getting flecked with grey...

"Ahh-ahhh-ahh-ahh," Evvy squealed, her fingernails digging

into the footboard. Fire engine red, she'd painted them. Just for Marcus.

Her eyes shot open, and she gasped, her throat working but no sound coming out.

I flashed back. Marcus, standing

there, my wife having stripped him down. Her oiling him up, paying particular attention to his cock, which was impressive even flaccid. He'd told her to get him hard, to, "Do what you oughta know how to by now," and she had.

Evvy went down on

him with gusto, stroking

his prick, tonguing his tip and teasing the wrinkles out of his shaft. She wrapped her lips around that mammoth cockhead and he'd shown her no mercy, grabbing her by the hair and face-fucking her like she should be used to it. She'd been coughing and gagging, catching her breath when he let her, either to pull out to slap her cheeks with his rod or to make her lick his balls. By the time he was ready to bed her, Evvy had spit hanging off her chin, snot running out of one nostril. I was as hard as I'd been scrolling the swingers site, and then some. But I couldn't do anything about it. I was forbidden from jacking off, or even touching myself. My balls felt like I hadn't cum in months. Like some mad scientist had injected a gallon of some weird sex potion into my balls and until it emptied, I would be tortured by the need to cum.

Evvy went down on him with gusto, stroking his prick, tonguing his tip and teasing the wrinkles out of his shaft.

KATHERINE MERLOT

Born: December 5
Height: 5'7"
Weight: 140 lbs.
Lives: New York, New York
Status: Divorced
Occupation: Escort

**71
YEARS
OLD**

Like her name implies, Katherine Merlot is a delicious, well-aged redhead who'll make you feel warm and fuzzy inside. If it's class and elegance you desire, she's your gal. "I think you can be classy and raunchy, if that makes any sense. I try to be elegant in the way I dress and carry myself, but when I have sex with a man the dirtiest things will come out of my mouth." We can vouch for that. During one of her scenes she said things like, "Fuck that nice, hot, juicy cunt with your young cock!"

One thing we love about Katherine is her natural beauty. This is a Merlot with a lot of body! You can tell she puts effort into keeping her curvy figure healthy and primed for young cocks. She says she stays in shape by lifting weights and having lots of sex. "Depending on the type of sex you're having, you can work up quite a sweat. But I think having lots of sex keeps more than your body young. It keeps you young on the inside too. Having a sex drive and a healthy sex life preserves your vitality. It keeps that spring in your step. It's just as healthy as eating lots of veggies." So that's where she gets that radiant glow!

Oddly enough, many of our 60plus models are completely bald. You'd think that women who grew up during a time when full bush was the status quo would keep some of their fuzz, but that's not the case. Katherine, however, is one of the few who has kept a little muff. "I've thought about shaving it all off, but having pubic hair makes me feel womanly. I'm 71 years old, what do I need to have a bald pussy for? I'm not even that hairy. Men like the fuzz that I have down there."

Katherine told us that she enjoys multiple, intense orgasms. The secret to that lies in that sexy pink nub at the top of her slit—her clit! Look how she pulls back her lips and exposes it. It's not the biggest clit we've ever seen, but it's a good size. "My clit is very sensitive. I absolutely love when a man kisses it and licks it passionately. I feel every little thing they do and it gets me in the mood like nothing else. When I rub it during sex it sends me over the edge."

JEWEL

Born: August 27
Height: 5'3"
Weight: 125 lbs.
Lives: Charlotte, North Carolina
Status: Married
Occupation: Retired

**65
YEARS
OLD**

If you read our sister magazine, *50Plus MILFs*, then you probably had quite a shock to learn in SP264 that "The Threesome Queen", Jewel, said she rarely gets double-dicked any longer. We probably shed a tear or two while remembering all the good times we've had seeing her as the meat in a cock sandwich. Well, great news! Jewel couldn't stay away from two, thick cocks any more than we could stay away from offering them. Horny old sluts like Jewel are too good for just one cock. All hail the Queen!

Jewel may have slowed down on the ménage à trois, but she's certainly not rusty. She moves like an old pro when she gobbles up the balls in front of her face, not even missing a beat when another young stud fills her pussy with his manhood. "It's a feeling unlike any other, having two people inside you. You feel almost like a sex tool, designed for other people's pleasure. I've cum before and not noticed because I was so busy focusing on the guys."

65
YEARS
OLD

There's something to be said about Jewel's age, too. If she's still this flexible at 65, it's hard to believe she'll ever stop doing the nasty with two guys. "I can't see myself slowing down. I enjoy what I do too much. I've never bought into the idea that when you get older you take things easy and relax. I mean, I enjoy retirement, but I don't want to stop living my life. I enjoy getting throat fucked, having my pussy reamed by young studs and being thoroughly used in the bedroom. It gives me energy." Well, it might give her that. It also gives her unbelievable orgasms. We could hear her through the walls of our studio while they were shooting.

[illegible]

So, Jewel is here to stay. That's great news for anyone who loves her porn. It's also good news for anyone in her swinging group. "I've always been on and off with the swinger scene. Porn is nice because you can get in and get fucked exactly how you want it. It's like living a fantasy! Swinging is a little different, but I've been more into it lately. It's nice to share with my husband. It's so sexy to watch him cumming all over another woman while he's holding my hand and I'm getting fucked from behind. I guess you could say that it's our hobby!" We've said it before—she's a Jewel.

KIM ANH

Born: November 28
Height: 5'
Weight: 92 lbs.
Lives: The Midwest
Status: Married
Occupation: Housewife

**60
YEARS
OLD**

Kim Anh is a rare find, an anomaly among the swingers and grandmas that usually come our way. First of all, she's our first 60plus Asian. Second, she's only been married for five years and has never had children. She was a tour guide in

Bangkok, Thailand and has trekked the Himalayas. She stands out, but there's one thing Kim has in common with many of our models. She loves to get fucked in the ass by a big, hard cock! "When it happens, I feel super good."

If you like Kim, you have Rita Daniels to thank! Rita is the one who recommended that Kim shoot for us at an expo. "I hope I can keep doing this for a while," Kim said. "I love to try new things. Most people would be very shocked to know I did this, but there are a few people that know my wild side." Kim is the type of free spirit who likes to strip naked in the car while her husband is driving, fuck in elevators and get eaten out by other women. She also loves to be watched when she fucks. "I also love to watch others as I touch myself and orgasm."

One of the draws of shooting for us was the opportunity for Kim to fuck a much-younger guy. "I've never had sex with a younger man, but I really want to! I'm hoping I can have a lot of young men now when I shoot videos." This was actual-

ly Kim's first young cock. Here's a fun fact-this photo set was shot on his 21st birthday, making him a whopping 39 years younger than Kim. "He was good," she said. "Very good stamina and very hard cock for my asshole!"

Despite being 60 and enjoying her share of sexual adventures, Kim has an incredibly small pussy and asshole. Just look at it in the photo to the left! While many of our readers like a nice, big gaping pussy, Kim's still-tight fuck-hole is pretty damn hot, too. Just like she exercises her body to stay fit, Kim also exercises her pussy by using Ben Wa balls—small balls placed in the vagina for stimulation and increased strength. She even keeps them in when she does aerobics. The result is a tight, aroused pussy and amazing sex life. Watch her tiny holes stretch to take on this thick cock in the video version of this photo set on 60PlusMILFs.com!

BEA CUMMINS

Born: May 20

Weight: 135 lbs.
Lives: Kentucky
Status: Married
Occupation: Retired

**70
YEARS
OLD**

"Why don't you lie back and tell me what's bothering you?" Bea said, wondering about how this strapping, young lad ended up in her office. A colleague of hers sent him over. She's a well-published therapist in her own right, and very qualified to treat people. Why was he referred to Bea? "Well, Doc. I can't reach orgasm. I'll have sex with my girlfriend for hours and hours, and she'll cum dozens of times, but I just can't hit the spot myself." Oh! Bea finally understood. Her colleague didn't think Bea was the right psychiatrist for the job—just the right slutty MILF!

"I think I know just how to fix this problem," she said, dropping to her knees. Within moments, his pants were unzipped and his cock was unleashed. He didn't say a word as she opened her mouth wide and lowered her head into his crotch, taking the whole swollen rod into her throat. When she resurfaced she said, "I think this is an easy case. I have a 100 percent success rate with this issue. I'll fix your dick in a matter of minutes. Now, let's see what your tongue can do for me."

Dr. Bea's cunt was dripping with excitement. Not only did she want to make him cum, but she wanted to give him the best orgasm he'd ever had. "Fuck my pussy good and hard," she yelled, taking his rod balls-deep. "Fuck me like you fuck your girlfriend. If you make me cum, I'll even let you stick that big dick in my tight, old asshole! Would you like that?" She already knew from her shaking legs that she would cum, and that he would soon be filling her ass with his cock.

The good Dr. Cummins could feel her tight ass give way to his thickness. She let out a loud, moaning question. "Do you think fucking my ass hard will make you cum? How do you feel about my body pleasuring you?" He grunted as he thrust. He was close to the cure. "I think you're about to fix me, doc," he said just before unleashing a torrent of thick, white jizz all over Bea's pretty, 70-year-old face. Smiling, she responded coyly, "I think we might need another session, sir."

"It's great to be back here at the SCORE Group! I've missed Miami," Jacqueline told us when she came to our studio. She posed for the Dec. '12 (SP238) issue of our sister publication, *50Plus MILFs*. She admitted then that she's not very adventurous in the bedroom, something we still find hard to believe. "I've started to open up more. I felt liberated by spreading my pussy in a mag. I've even shown the issue to a few guys. They take it as a cue for us to start fucking."

A woman with brown hair and freckles is lying on a white surface, possibly a couch or bed. She is wearing a red lace bikini top. She is looking directly at the camera with a slight smile. Her right hand is resting on her hip. The background is a solid blue color.

As a sex therapist, Jacqueline knows exactly how to get the most out of her one-night stands. "I can tell which men will be needy the morning after we fuck and which ones will have a foot out the door the moment he cums. There's room for both, but I prefer confident men. It's all about their posture and their movements. If a guy walks around like he owns the place, then he'll get my pussy."

"There comes a point in every woman's life when she realizes that if she's not getting good sex, she has to find it. If she is getting good sex, it can always get better. And, if she's already getting great sex? Well, it can always happen more

often and with more people! In my profession, I don't always advocate sleeping with multiple partners, but I've found that in my life it's working for me. Group sex sessions and partner swapping are great ways to explore one's sexuality."

Bull By the Horns

continued from page 28

Marcus hadn't shot his wad in Evvy's mouth—which I'd expected. Evvy had blown the bastard for a good twenty minutes, and still, it was like nothing to him. He'd told her, "That's enough, baby," and hauled her to her feet, tossed her onto the bed and straddled her face, spreading her legs, giving me that wink and smirk that made me cringe. He'd teabagged Evvy while eating her out, finger-fucking her with his thick, long digits. First just one, then two. He'd rubbed his chin stubble back and forth over her clit, making her tremble. He wasn't any more gentle on her clit than he'd been on her throat. By the time he'd gotten her off twice, she was a shiny pink, her nub swollen and raw.

The bull didn't give a shit. He finished what he was doing, squatted over her face and put her hands on her tits, mashing them together, creating a tunnel he could fuck while I sat there, a helpless observer. This was about Evvy, after all, not me. Even though I'd set it up, I'd made it happen, Marcus was here to turn Evvy inside out, and at the moment, he was doing one helluva job.

I wasn't sure any more. I mean, yeah, I wanted to give Evvy something special, something she'd wanted all her life. But what would happen after this? How was I going to compete with this stallion when Evvy and I were on our own? While I watched him bang my wife's tits, I started having fantasies of my own. About how I'd do certain things. About how Evvy and I could mix it up a little. About how it might be watching Evvy with a 2-headed strapon, fucking a slut who didn't just dress and talk like a hooker.

Marcus gave me that look again, spread my wife's cunt lips with his fingers, and wagged them at me. I knew what he was saying. "I got 'em, and you don't. This shit's mine."

Marcus pulled his nuts out of Evvy's mouth.

"No!" she protested. "Let me keep going! I want to drink your cum!"

"We'll see," he said, flopping onto his back and folding his hands behind his head. His cock stood straight up,

Regi is a 61-year-old divorcee from the Czech Republic. She doesn't speak the best English, but we always bring in translators when we're shooting foreign models. "I'm very happy to be here," she told us. "I loved shooting for *50Plus MILFs*, and it is exciting to be wanted by so many younger men when you're in your 60s. I love younger men too, so it is a perfect situation for me."

Regi doesn't just admire younger men the way most single, mature broads do. No, she goes after them! "I pick men up at bars or coffee shops, anywhere I am horny. I once picked up a young man and decided to go home with him. It was at night and we were cutting through a cemetery. It was very dark and private. I bent over a gravestone and pulled up my skirt. He understood! I let him fuck me and finger my ass. I had to stop myself from screaming! Then, I demanded that he cum on my face. That's my favorite way to end."

"I do things like that all the time now that I'm divorced. I was not allowed to be free when I was married. He was a decent man when we first started dating, but things quickly changed. Now I am free and having so much fun! I'm very lucky to be alive in this time. Women my age weren't always allowed to be so cavalier with their love lives. I can now pick whomever I'd like as my sex partner and nobody thinks I'm crazy. That could also have to do with where I live. Prague, in the Czech Republic, is a very open and sexual place."

"My favorite young men are university students. They're smart and willing to learn from someone who knows more than they do. I like to teach them sex. I had one young man, about the age of my son, actually, who I taught how to lick my pussy. When I was finished with him I was cumming three times a night. He called me a month ago and told me he now has a girlfriend who is benefitting from my expert teaching skills."

ANGELIQUE DU BOIS

Born: June 28
Height: 5'8"
Weight: 160 lbs.
Lives: Escondido,
California
Status: Divorced
Occupation: Masseuse

**60
YEARS
OLD**

"I like to dress very sexy while still being age appropriate," Angelique said. "But my definition of age appropriate might not be the same as everyone else's." A ruby red corset might not be what you'd expect a 60-year-old woman to wear, but with her big tits and milky skin, it looks natural on Angelique! "It's important for a lady my age to put in the effort to look sexy. It makes me feel womanly, and it keeps my spirit young. I like to look sexy but never trashy or over the top."

Angelique is not a nudist. "Only at home." And she's not exactly a swinger either, but she's done her share of experimentation. "I've tried swinging and was part of a fun group. We would go to a house and spend the day interacting with each other. It was pretty much an all-day and all-night sex orgy. There were all kinds of scenarios. Wherever you looked people were having sex!"

"What I find sexy is sexy tension: When two people want each other but haven't acted on it, and it's building up while they're waiting for the right moment to make a move. I love that, the anticipation of new dick! Also, as a massage therapist I'm very fixated on body parts. I can be turned on by a particular part of a man's body, even just his hands or his chest. And of course, his cock too! The smell of a man is also so sexy and enormously arousing to me. I guess you could say I'm attracted to a man's overall essence and his sexual aura. This is immediate for me, and must be present from the very beginning, or else I won't be interested."

This is our second time seeing Angelique in a solo pictorial (the first was in *40Something* SP257). What you can expect to see next are her juicy pussy lips wrapped around the cock of a much-younger man. "Judging by the big load of cum he blew, I think I gave him a pretty good ride!" she said after her scene. "I love men of all ages, but it's especially satisfying to be able to please a much-younger guy. I'm always surprised when they express interest in me, so I really try to give it my all when we have sex. I show them that older women can fuck!"

Bull By the Horns

continued from page 70

like a flagpole. He looked at her, his eyes smoldering.

"Go on, baby," he told her. "Ride the pony."

Evvy had to lift her leg up high in order to straddle him, lowering herself onto his big dick with a wet, sloppy sound. I couldn't see her face, but I watched the muscles in her back tense as she sunk down on him, his whole length disappearing into her folds.

He let her do all the work, encouraging her, getting her to squat and bounce up and down, playing with her own nips. He looked like he was relaxing in a lounge chair, while my wife filled herself with his meat.

Finally, he pulled her down so they were chest-to-chest, pressing his mouth to hers, the kiss more intimate than anything I'd sat through all night. While he swapped spit with her, he pulled apart her ass cheeks, his fingers so deep in her crack he could make her brown eye wink at me. He didn't waste the opportunity. Evvy wriggled, approaching another orgasm. How many was that? Five? Six? Fuck, I'd lost count.

I sat there, trying to hold it together. My toes were digging into the carpet, my knees bouncing much like Evvy had, thanks to nervous energy. I was antsy, and my hard-on was painful. Marcus glanced over Evvy's shoulder and mouthed something to me.

"Still pretty tight," he said.

Evvy screamed.

"Oh fucking yes! Do it, baby, make me cream again!"

"Anything you want, mama," he promised, winking her asshole at me as he thrust up into her dripping box. And that...that was it.

I launched myself off the stool, and was on the bed before I knew what I was doing. I pressed my hand into Evvy's rump and pushed her down, impaling her on Marcus' erection. She let out an excited whoop, driving her fists into the bed. I got in between her feet and spit into my palm, greasing up. Then, without warning, I plunged into Evvy's puckered bung-hole, entering her with a ferocity I hadn't felt in forever.

I'd thought about double-parking, but I knew Marcus' cock alone had

been stretching her out, so opted for plundering her back door.

It didn't take more than thirty seconds for her to start bucking, pinned between us, her black bull and the guy who'd put a ring on her finger all those years ago. She thrashed from side to side, trying to process what was happening to her.

Sure, we'd done a little swinging before, but it had always been partner swapping, nothing more. We'd never done a double-team, never explored a menage a trois.

I wondered why we hadn't. All the sex we'd had, all the positions we'd tried, all the things we'd turned from fantasy into reality. And never this?

Evvy shrieked a shriek of pure ecstasy. She reached back and grabbed my hands, putting them on her tits. She loved having me give her the reach-around when I ass-fucked her, and I could feel the pounding between her knobs that was her heart, going a mile a minute.

"Give it to me, stud," she pleaded with Marcus, before looking over her shoulder at me. "And give it to me in the ass, too!" Marcus took it in stride.

Evvy threw her ass against me, and I gave it back to her, hard. Evvy was as tight as you can imagine, and through her thin walls I could feel Marcus' tool, buried in my lover's well-packed fuckhole.

"Harder!" Evvy begged. "Harder, harder, harder!"

Marcus really got into it now. He took hold of Evvy's hips and started slamming into her, while I pounded Evvy right back down onto his stick.

"Ungh! Ungh! Now! Now! Now!" she screamed, so loud it shook the windows. I felt her cum, and felt a hot spot spreading inside her love tunnel. Marcus. He'd unloaded inside her.

"That how you want it, huh?" I demanded, clamping my hands firmly around Evvy's jugs. "Want me to shoot in your butt? You want me to fucking fill your ass with sperm?"

"Do it! Yes! I want it!"

I came, her buttohole swelling around my cockhead as I gushed into her. Jism bubbled into her ass crack, more nut butter oozing out onto the bed sheets below. Evvy shuddered, and collapsed onto Marcus' chest.

In the morning, I was going to log onto that swingers site, I thought. Right after Evvy woke up.

JEANNIE LOU

Born: April 12
Height: 5'7"
Weight: 148 lbs.
Lives: South Florida
Status: Divorced
Occupation: Fashion consultant

**62
YEARS
OLD**

We had a really scary moment not too long ago. We were talking to everyone's favorite slutty grandma, Jeannie Lou, and she said some things that led us to think she was considering an end to her porn days. We did everything we could think of to make her change her mind. She doesn't need money—she's very successful in her private life. We were strapped for ideas, and then we threw an idea out there. What if we offered her two hard, thick cocks?

You'd better believe she was all over that offer. "Two hot juicy cocks, that's what I like to hear! I couldn't help myself, knowing that these guys wanted nothing more than to stuff my pussy and asshole. I love the feeling of having a cock slide in and out of my throat, and I obviously love getting fucked. Put them together and you've got a recipe for a weak-kneed Jeannie! Also, I've experimented with DP before, but never with porn-sized dicks. I figured this would be my opportunity."

You can see the look of lust, pleasure and a small amount of stretching pain on Jeannie's face as she anticipates that fat cock sliding deep into her cunt. "That moment almost drove me insane. The guy who fucked my pussy was rubbing his precum all over my clit, wiping and pushing with the tip of his dick. I could feel myself shaking and I was muttering under my breath. Finally, I yelled at him, 'Fuck my pussy already! I need two cocks!' I wanted it so badly!"

There's no other way this 62-year-old would finish a hot double pounding other than receiving a faceful of cum. "I love a creampie as much as the next gal, and there's something to be said for getting my tits sprayed, but if I'm acting like a slut and letting two guys have their way with me, I expect to be treated like a hungry cumslut. I want to be pushed to my knees and get my mouth filled with jizz. That's what I love!"
